

Lorem Ipsum is simply dummy text of the printing and typesetting

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book.

Technologies TekRevolt Uses for Mobile App Development in San Francisco

As a leading mobile app development company, we employ a diverse set of powerful technologies to cater to your unique requirements. In Android development, we utilize Java, Kotlin, Fastlane, Gradle, Coroutines, Dagger2, and JetPack. On the iOS side, we leverage SwiftLint, Objective-C, RxSwift, CircleCI, Swift, SwiftUI, and CocoaPods. For the creation of hybrid apps, our toolkit includes TypeScript, React Native, Javascript, Flutter, and Native Script. When it comes to backend development, we harness the capabilities of Node.js, Ruby on Rails (RoR), Python, and Firebase.
